

Dear Parents/Carers

05.06.2020

On Tuesday 9th June 2020, SRS will have our very first virtual assembly at 10am on Zoom. Our virtual assembly will happen every Tuesday at 10am. A Zoom invite will be posted on ClassDojo and emailed to parents/carers. It will be great if you can join us. When using Zoom please follow the safety guidance below:

It is vital that children and young people are kept safe when online at all times. Please take time to sit with your child and monitor their online activity closely.

Parents/carers please ensure that your child follows the following rules when using Zoom:

- Students should use an appropriate backdrop. In a main living area and not in their bedroom.

- Everyone must be fully dressed.

- Keep the mic muted otherwise you will not be able to hear important information. Only turn the mic on when asked to.

- Don't share personal information on the Zoom virtual assembly.

Please ensure that safety settings and passwords on mobile devices, apps, PC's, laptops, tablets and consoles are turned on at all times.

More information about using Zoom safety during the school closures can be found at:
